GOLDSTAR FASHIONS LTD.

(A 100% Export Oriented Woven Garments Industry)

Introduction

Goldstar Fashions Ltd., is a 100% Export Oriented Readymade Garments industry, came into being in the year 1992 as the mother company of the 'Goldstar' family. Under Goldstar Group, we have 5 garments production units, One Washing Plant, One Carton & Poly manufacturing plant and One Logistics unit. Initially Goldstar Fashions Ltd., started its journey with 2(two) lines only and now it owns 12 lines alone. Over of period of 26 years of time, more 4(four) production units came up reaching total 47 lines for the group. Through a wide range of products & services, the company has earned the goodwill of reputed brands from across the globe. Producing over 14 million pieces of garments per year, it is among the largest vendors in Bangladesh for both Lidl and Aldi with annual turnover of over 45 million US Dollars. The company has consistently excelled with a strong performance record of substantial annual growth over the last few years and has earned several awards and recognitions from different importers/ brands.

Since its inception, Goldstar Fashions Ltd., has grown to be one of the leading apparel solution providers in Bangladesh in terms of commitment to quality, timely delivery and total value. Engaged in the development and manufacturing of woven garments (tops and bottoms), this production unit now employs roughly 1,500 people and has an annual turnover of over US Dollars 7.5 million.

GOLDSTAR FASHIONS LTD.

(A 100% Export Oriented Woven Garments Industry)

We as a team, are dedicated to excellence in merchandising, product development, production and logistics. Through our extensive sourcing network, we can effectively source and arrange the best materials at the shortest possible timeframe. Our customers rely on us to deliver them the best quality products and required services that in turn should enable them to successfully compete in the emerging market place.

Our success is rooted in investments in human capital and world class manufacturing facilities. We possess the skills, experience, infrastructure and financial strength necessary to attain customer satisfaction through excellence in product quality, flexibility and cost competitiveness. The company is always exploring new markets across the world with an experienced perspective, contemporary professionalism and high-end technology. Goldstar Group welcomes all our prospective customers to visit and evaluate our factories firsthand.

Goldstar Fashions Ltd., is under the membership of the Bangladesh Garment Manufacturers and Exporters Association (BGMEA) and has successfully been audited by ACCORD and BSCI. The main products it produces are trousers, shirts, jackets, overall, shorts of all type and school-wears.

Quality Assurance

The management of Goldstar Fashions Ltd. is always committed to providing the highest quality products. All garments pass through strict quality control checkpoints at every stage of production. Corporate Quality Auditors to oversee production, work independently from floor management and report directly to the Director and MD of the company.

Corporate Social Responsibility (CSR)

Goldstar Fashions Ltd., one of the best CSR practicing factories of Bangladesh, has adopted contemporary concepts of management systems which ensure a working environment that is socially, environmentally and ethically compliant for the workforce.

We have developed our operational policies in such a way that brings in positive changes towards implementation of CSR goals. Our CSR policy is an integrated part of our overall business policy. We have a separate HR, compliance and welfare team who monitor all facilities daily and submit their report to the authorized persons. If any threat regarding health & safety issue is found, they take necessary action without delay.

GOLDSTAR FASHIONS LTD.

(A 100% Export Oriented Woven Garments Industry)

Employees at all levels are aware of the company's CSR policy and activities as we communicate with the workers by awareness meeting, PA systems, through mid level management meeting, daily production meeting, orientation of new recruits etc. We have a separate budget for implementing the CSR activities. We measure the impact of our CSR activities through internal and external evaluation. The company provides all employees with free medical, health, hygiene and emergency financial assistance. Safety programs and routine drills ensure that the facilities remain updated and employees are aware of risks and capable of dealing with emergencies.
