DISARI WASHING PLANT LTD.

(A 100% Export Oriented Garments Washing Plant)

Introduction

Disari Washing Plant Ltd.(DWPL), is a 100% Export Oriented Woven Garments Washing Plant, came into being in the year 2014 as a new member in the 'Goldstar' family. It is located at Plot No. 112-113, BSCIC Industrial Estate, Tongi, Gazipur. Under Goldstar Group, we have 5 garments production units, One Washing Plant, One Carton & Poly manufacturing plant and One Logistics unit. This Washing Plant has been set up with all the modern machineries with a view to not only meet our own internal requirement but also to cater for the needs of outside customers. Extending over 35,000 square feet area and having its own adjacent ETP (Effluent Treatment Plant), this plant is capable of washing over 9,00,000 pcs of garments in a month covering both denim and twill products with a team of experts in the industry.

Disari Washing Plant Ltd., has been under the membership of the Bangladesh Export Oriented Garments Washing Industries Owners Association (BEOGWIOA) since its inception and has successfully been audited by **amfori-BSCI** with **Overall Rating 'C'**. The main products it washes are trousers, shirts, jackets, overall, shorts of all type and school-wears.

Corporate Social Responsibility(CSR)

Disari Washing Plant Ltd., being one of the best CSR practicing factories of Bangladesh, has adopted contemporary concepts of management systems which ensure a working environment that is socially, environmentally and ethically compliant for the workforce.

We have developed our operational policies in such a way that brings in positive changes towards implementation of CSR goals. Our CSR policy is an integrated part of our overall business policy. We have a separate HR, compliance and welfare team who monitor all facilities daily and submit their report to the authorized persons. If any threat regarding health & safety issue is found, they take necessary action without delay.

Employees at all levels are aware of the company's CSR policy and activities as we communicate with the workers by awareness training, PA systems, through mid level management meeting, daily production meeting, orientation program for new recruits etc. We have a separate budget for implementing the CSR activities. We measure the impact of our CSR activities through internal and external evaluation. The company provides all employees with free medical, health, hygiene and emergency financial assistance. Safety programs and routine fire drills ensure that the facilities remain updated and employees are aware of risks and capable of dealing with emergencies.
